Over half of all the visual artists working today are women, but the paintings and sculptures shown in many galleries and museums tell a different story because they're usually the work of men.

*These are the stories of some of history's most talented female artists.*

*Discover how their art shapes our world  
- and be inspired to do the same.*

A celebration of the many Black artists around the globe who are creating exciting and important work today. All the artists included make us think about art and life. They work in many different ways and explore all kinds of ideas.
