*In the mid-1930s, Irmina, an ambitious young German, moves to London.*

At a cocktail party, she meets Howard Green, one of the first Black students at Oxford, who, like Irmina, is working towards an independent existence. As war approaches and her contact with Howard is broken, it becomes clear to Irmina that prosperity will only be possible through the betrayal of her ideals.

*Heard the word 'empire' before? Perhaps because of the Roman empire or the Star Wars films. But what about the British Empire?*

Explore how Britain's empire once made it the most powerful nation on earth, and how it still affects our lives in many ways today. Because how can we ever make the world a kinder, better place for the future, if we don't know the truth about the past?
