Textiles

Reading LIST

A guide to making fashion choices that don't harm the planet.

We have the power to collectively change the world with a change of clothes! Shake up the fashion world by taking action as conscious consumers and active citizens.

Learn how to love your clothes by reusing, swapping and mending what you already have.

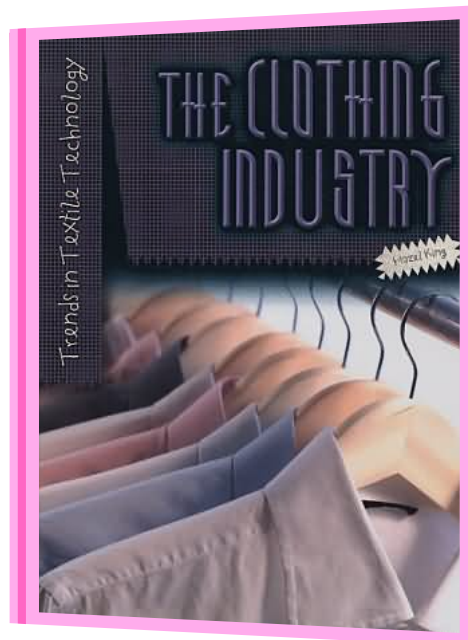

SCAN ME

Investigates the business of clothes examining the design process and what areas need to be considered to ensure consumer satisfaction.

*What are finishing techniques?
Can designers patent their designs?
What are toiles?*

Textiles

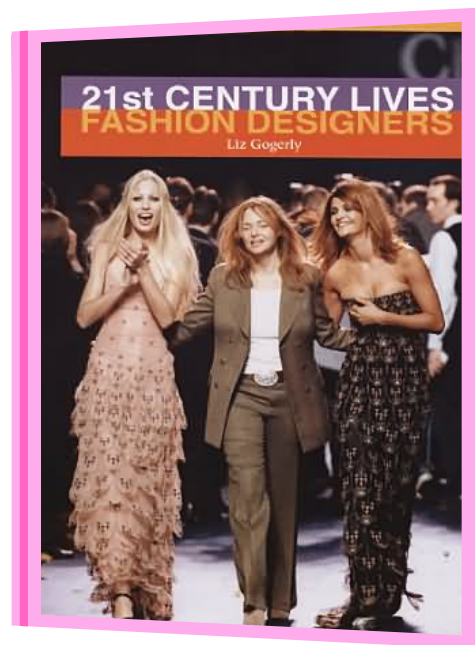

Reading LIST

Have you ever wondered where Vivienne Westwood gets her unique inspiration, or how Stella McCartney achieves her characteristic bohemian style?

Discover the secrets of their success, and those of many other fashion icons, in this collection of fascinating biographies.

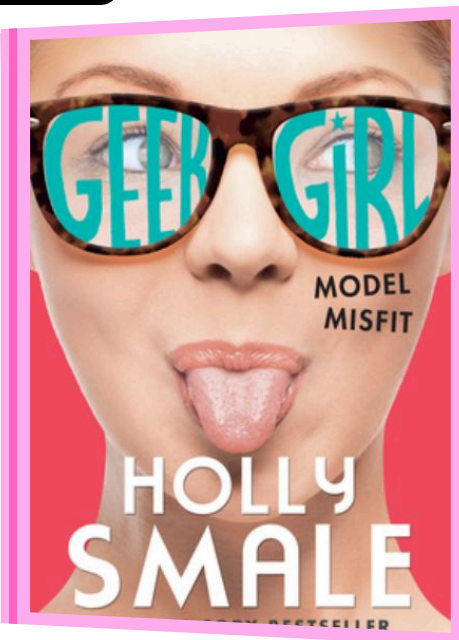

SCAN ME

Teenage model Harriet gets to travel to Tokyo to work for a top designer but things quickly go wrong.

With summer plans ruined, modelling in Japan seems the perfect chance to get as far away from home as possible. But nothing can prepare Harriet for the craziness of Tokyo, her competitive model flatmates and her errant grandmother's 'chaperoning'. Or seeing gorgeous Nick everywhere she goes.
