Kenya, generally regarded as the cradle of humankind, is a land of stunning landscapes, famous game reserves, and a vibrant culture, but it also has many serious problems, including refugees, AIDS, drought and grinding poverty. It also provides plenty to worry a nervous traveller like Bill Bryson: hair-raising rides in light aircraft, tropical diseases, snakes, insects and large predators.

Bill Bryson goes to Kenya at the invitation of CARE International, the charity dedicated to working with local communities to eradicate poverty around the world.
