Ski Trip Hoodies

Dear Parents and Carers,

As our Austria Ski Trip approaches, we are beginning to make preparations and get excited for what promises to be a fantastic experience for our students.

We know that students will be starting to think about and purchase their outfits for the trip, and we are delighted to offer the opportunity to purchase a personalised ski trip hoodie. These hoodies will make a wonderful keepsake and lasting memory of what we hope will be a very special trip.

There is also a practical benefit to having students wear matching hoodies. With a large group of students travelling together, the identical comfy clothing will make it much easier for staff to quickly identify our students while travelling and during the trip.

Although purchasing a hoodie is completely optional, we would strongly recommend purchasing one through the online shop provided (please scan the QR code below). The hoodies can also be personalised with your child's initials, making them even more individual and memorable.

Further details, including how to order, can be found via the online shop QR code below.

Please note, St John Bosco are not responsible for any orders - all communication and payment must be made with the company themselves through the online shop. All orders must be purchased by 25th November 2026 to ensure jumpers are delivered in time. All orders will be dispatched together and arrive to St John Bosco Arts College where the trip lead will then distribute them to students.

We hope that many of our students will choose to take advantage of this opportunity and enjoy wearing their personalised hoodie throughout the trip and for years to come as a reminder of their Austria adventure.

Kind regards,

Miss A Provan - Trip Leader

A. Provan
