

Autism Post Diagnostic Learning Programme

(Parent/Carer Face-to-face and Online Course)

Booking Information

Dear Parents and Carers,

We are pleased to offer you the opportunity to attend our **Autism Post Diagnostic Learning Programme** for parents and carers, whose child/young person has received a diagnosis of autism (ASD). This unique learning programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people. It will provide learning, guidance and strategies for how to support your own child/young person.

Please find overleaf the dates, times and booking details for our forthcoming face-to-face courses (four weekly sessions) and our online courses (six weekly sessions) which we will be running over the next six months, as commissioned by NHS Liverpool Clinical Commissioning Group (CCG), NHS South Sefton CCG and NHS Southport and Formby CCG.

Topics we will be covering during the sessions	
Understanding autism	Communication skills
Discussing a diagnosis of autism	Promoting self-esteem
Autism and girls	Talking about health
Sensory processing differences	Building positive relationships
Unique thought processes and special interests	Educational settings: working together
Stress and anxiety	Managing transitions
Understanding and supporting behaviour	Independence skills

From the courses listed overleaf, please select the appropriate parent/carer course specific to the age of your child:

3-8 years or **9-13 years** or **14 years and over**
