LEAD TEACHER FOR SCIENCE

Commencing September 2025
MPS/UPS plus TLR 2C

At St John Bosco Arts College, we are committed to providing an ambitious education that empowers our pupils to flourish. We are seeking a dynamic and dedicated Lead Teacher for Science to join our team and play a pivotal role in enhancing student outcomes at KS4 and KS5.

As the Lead Teacher for Science, you will be responsible for ensuring high-quality curriculum intent and implementation across the Science Faculty. Your focus will be on delivering outstanding teaching that directly impacts student progress and attainment.

Key Responsibilities:

Curriculum Development: Assist in developing syllabuses, resources, and teaching strategies that enhance student achievement.

Teaching Excellence: Plan and deliver high-quality lessons, modelling best practises and using data to track progress and inform interventions.

Staff Leadership: Inspire and mentor colleagues to improve their teaching practises, fostering a culture of continuous professional development.

Strategic Improvement: Collaborate with the Senior Leadership Team to implement policies and practises that drive student success.

Ideal Candidate:

You will be an experienced teacher with a passion for science education, demonstrating excellent classroom practice and a commitment to improving student outcomes. Your ability to lead, motivate, and develop staff will be essential in achieving our vision of high standards and excellence.

In return we offer:

- A 'Good' school [Ofsted, December 2021]
- An established and supportive department
- The latest technology
- An excellent induction programme
- Support and opportunities for professional development

Please contact the College or visit the website to request further details and an application form. Applications should be completed on the CES application form together with the Recruitment Monitoring Form and returned to Mrs Waters, Executive Officer to the Headteacher: watersc@stjohnbosco.org.uk or sent by post to the college.

As part of the shortlisting, we will carry out an online search as part of due diligence on the shortlisted candidates. This may help identify any incidents or issues that have happened, and are publicly available online, which the college might want to explore with the applicant at interview.

Our school is committed to safeguarding children and has safer recruitment procedures in keeping with DFE statutory guidance. All posts are subject to all the required DFE pre-employment checks being completed including an Enhanced DBS Certificate [including a Children's Barred List Check]. Our recruitment pack contains key safeguarding policies including our code of conduct for staff and volunteers which everyone must adhere to.

Closing date for applications: Tuesday, 22nd April 2025

Interviews: tbc

Please note that only applicants who have been shortlisted for posts will be contacted following the closing date.
