LEAD PRACTITIONER MATHEMATICS

Commencing September 2026

Lead Practitioner Scale L4-L8

St John Bosco Arts College has a reputation for excellence and is the only secondary National Teaching School in Liverpool with state-of-the-art facilities and a vibrant, stimulating and welcoming environment.

The Governors of this successful 11-18 Girls' Catholic Specialist Arts College wish to appoint a Lead Practitioner [Mathematics].

This is an exciting opportunity for an outstanding teacher to become a Lead Practitioner supporting teaching, learning and assessment across the Mathematics Faculty and wider College. As a central part of the team, you will provide excellent support for colleagues across the College on their journey to outstanding, whilst maintaining your own excellent standards each day in the classroom.

You will be an outstanding mathematics teacher with a proven record of 'outstanding' results and demonstrable evidence of improving the practice of others. Responsibilities will include the sharing of best practice, mentoring underperforming colleagues and embedding systems and practices that lead to improved outcomes for all students. You will have a confident and empathic approach to mentoring colleagues and will lead on training and development both within the mathematics faculty and across the wider College. The ability to teach mathematics to 'A' level is desirable.

If you are passionate about teaching and learning and want to join an ambitious team of professionals, then we want to hear from you.

Our school is committed to safeguarding children and has safer recruitment procedures in keeping with DFE statutory guidance. All posts are subject to all the required DFE pre-employment checks being completed including an Enhanced DBS Certificate [including a Children's Barred List Check]. Our recruitment pack contains key safeguarding policies including our code of conduct which everyone must adhere to.

Please contact the College or visit the website to request further details and an application form.

Please note that only applicants who have been shortlisted will be contacted after the closing date.

Closing Date: 5 May 2026
